Annual unload report fresh fruits and vegetables

On 12 Canadian Markets
1986

Rapport annuel des déchargements fruits et légumes frais

Sur 12 marchés canadiens
1986

This report contains details of the unloads for fresh consumption in terms of thousands of pounds by months and origins. The figures include freight and boat receipts, together with truck receipts by the wholesale trade and chain stores. Mixed car receipts have been broken down whenever possible and the equivalents, in terms of thousands of pounds, added to the straight weight of the individual commodities. An effort has been made to indicate the actual state or country of origin for imports, but this has not been possible in every instance.

Le présent rapport contient des données sur les arrivages, pour consommation en frais, en milliers de livres par mois et la provenance. Les chiffres comprennent les arrivages par train de marchandises, et par bateau de même que les arrivages par camion pour les grossistes et les magasins à succursales. Les arrivages par wagonnées mixtes sont décomposés, le cas échéant, et les équivalents en milliers de livres sont ajoutés au poids de chaque produit. On s'est efforcé d'indiquer la provenance, état ou pays d'origine des importations, mais cela n'a pas toujours été possible.

The information gathering and processing system for the Annual Unload Report has now been computorized.

In the conversion process, a review was conducted on american states and other countries by volume and product resulting in groupings of unloads into "other" categories.

Due to space constraints in the report, a number of provinces, states and countries have been abbreviated as follows:

Le système d'acquisition et de traitement des données pour le rapport annuel sur les déchargements est maintenant informatisé.

Au cours du processus de conversion, on a décidé que dorénavant les produits déchangés de certains états et pays seraient regroupés dans une catégorie intitulé "autres.

Au cause d'un manque d'espace, les noms de certaines provinces et de certains états et pays mentionnés dans le rapport sont abbrégés comme suit:
